Who We Are

Freens International's journey began in the vibrant city of Sialkot, Pakistan—a place renowned for its rich heritage in textile and apparel manufacturing. Our story is one of passion, perseverance, and a relentless pursuit of excellence. Founded with a vision to transform the apparel industry, we started as a small manufacturing unit with a dream to set new standards in quality and craftsmanship.

our story

building legacy

As demand for our high-quality products grew, so did our capabilities. We expanded our product line to include a diverse range of apparel, from sportswear and streetwear to denim garments and safety apparel. Our state-of-the-art manufacturing facilities were equipped with advanced technology, enabling us to meet the evolving needs of a global market.

From our modest beginnings, we grew steadily by focusing on core principles: quality, innovation, and integrity. Our early years were marked by a commitment to honing our craft and building strong relationships with clients and suppliers. Each step in our journey was driven by our dedication to producing exceptional garments that combine style, functionality, and durability.

Strategic Vision, Unmatched Leadership.

Key Offerings

Custom Equipment Solutions

Customized Apparels: Custom-designed sportswear, team wear, leisure wear, and safety wear to meet individual preferences and specifications.

Personalized Gloves Range: Custom gloves designs and branding options for teams, leagues, safety workers, and special events.

Athlete Consultation

Performance Analysis: Expert advice on selecting the right equipment and apparel based on specific athletic needs and goals.

Gear Fit and Safety: Professional guidance to ensure optimal fit and safety for all sports equipment.

Product Innovation

Research and Development: Ongoing R&D to improve existing products and develop cutting-edge technology in sports gear.

Collaborative Design: Working with athletes and coaches to create new solutions that enhance performance and comfort.

Strike with Power.
Play with Heart.

Quality Assurance and Support

Rigorous Testing: Comprehensive testing procedures to ensure the durability and reliability of all products.

Customer Support: Dedicated support team to assist with product inquiries, warranty claims, and after-sales service.

3-Step Mechanism

Work with us on 3-Steps

Step 1 Connect and Consult

Reach out to us to discuss your needs and requirements. Whether you're looking for custom street apparels, or performance sports apparel, or safety wear, or any sort of gloves, our team is ready to listen and provide expert advice. We'll guide you through the options and help you choose the best solutions to meet your goals.

Step 2 Design and Customize

Once we have a clear understanding of your needs, we'll work together to design and customize your equipment or apparel. Our skilled professionals will use high-quality raw materials and advanced technologies to create products tailored to your specifications. We ensure that every detail meets your expectations and our rigorous quality standards.

Step 3 Elevate Your Experience

Reach out to us to discuss your needs and requirements. Whether you're looking for street apparels, safety wears, or performance sports apparel, or any sort of gloves, our team is ready to listen and provide expert advice. We'll guide you through the options and help you choose the best solutions to meet your After production, your customized gear or apparel will be delivered, ready to support your athletic pursuits.

We're committed to helping you achieve your goals with our high-quality products. As you experience the benefits of our equipment, we welcome your feedback and are here to assist with any future needs. Partner with Freens International and let us be a part of your journey to success and growth.

Raw Materials

In our manufacturing facility, we prioritize high-performance fabrics for our sportswear. Utilizing breathable, moisture-wicking materials like polyester and nylon ensures optimal comfort and durability. Additionally, elastane blends provide the necessary stretch for unrestricted movement, making our apparel ideal for athletes. The use of sustainable fibers is also on the rise, aligning with global trends toward eco-friendly production.

For safety wear, we focus on robust materials that offer both protection and comfort. High-visibility fabrics, such as fluorescent polyester and reflective tapes, are integral for ensuring visibility in hazardous environments. Reinforced materials like Kevlar and specialized laminates enhance cut and abrasion resistance, making our safety gear suitable for a variety of industries. Our commitment to quality ensures that workers remain safe and comfortable on the job.

Our street wear collection features a blend of urban-inspired fabrics that cater to style and durability. We utilize heavy-weight cotton and blended fabrics for a relaxed fit that withstands daily wear. Distressed finishes and unique prints are crafted using eco-friendly inks, reflecting contemporary street culture. This combination not only enhances aesthetic appeal but also aligns with the growing demand for sustainable fashion.

In producing high-quality gloves beyond boxing, we use a variety of materials tailored for specific applications. Leather offers durability and a classic feel, while synthetic materials like neoprene provide flexibility and waterproof qualities. We also incorporate thermal linings for colder climates, ensuring comfort without compromising functionality. Our attention to detail in material selection ensures that our gloves meet the diverse needs of our customers, from outdoor enthusiasts to industrial workers.

Raw Power,
Refined Quality.

Quality Assurance

We, at Freens International, work closely with designers to create innovative products that combine functionality with aesthetic appeal, ensuring that our offerings are both practical and stylish. Our R&D efforts focus on developing new materials and technologies that enhance product performance and longevity, keeping us at the forefront of industry trends.

Each product undergoes multiple stages of quality checks, including raw material inspection, in-process monitoring, and final product inspection, to detect and rectify any defects before the product reaches the customer. Products are subjected to various performance tests such as abrasion resistance, colorfastness, and functional testing to ensure they meet or exceed international standards.

Our products comply with various international standards, ensuring that they meet the regulatory requirements and quality expectations of global markets. In addition to ISO certifications, we adhere to industry-specific standards and certifications that validate the quality and safety of our products.

**Crafted for Quality,
Designed for Excellence.**

9001

14001

Social Responsibility

At Freens International, social responsibility is deeply ingrained in our operations and values. Based in Sialkot, Pakistan, we are dedicated to making a positive impact on our local community and the broader global environment.

We actively support our local community through various initiatives, including investing in education programs, providing resources to community centers, and creating job opportunities. Our goal is to foster economic growth and improve the quality of life for those around us.

community engagement

women empowerment

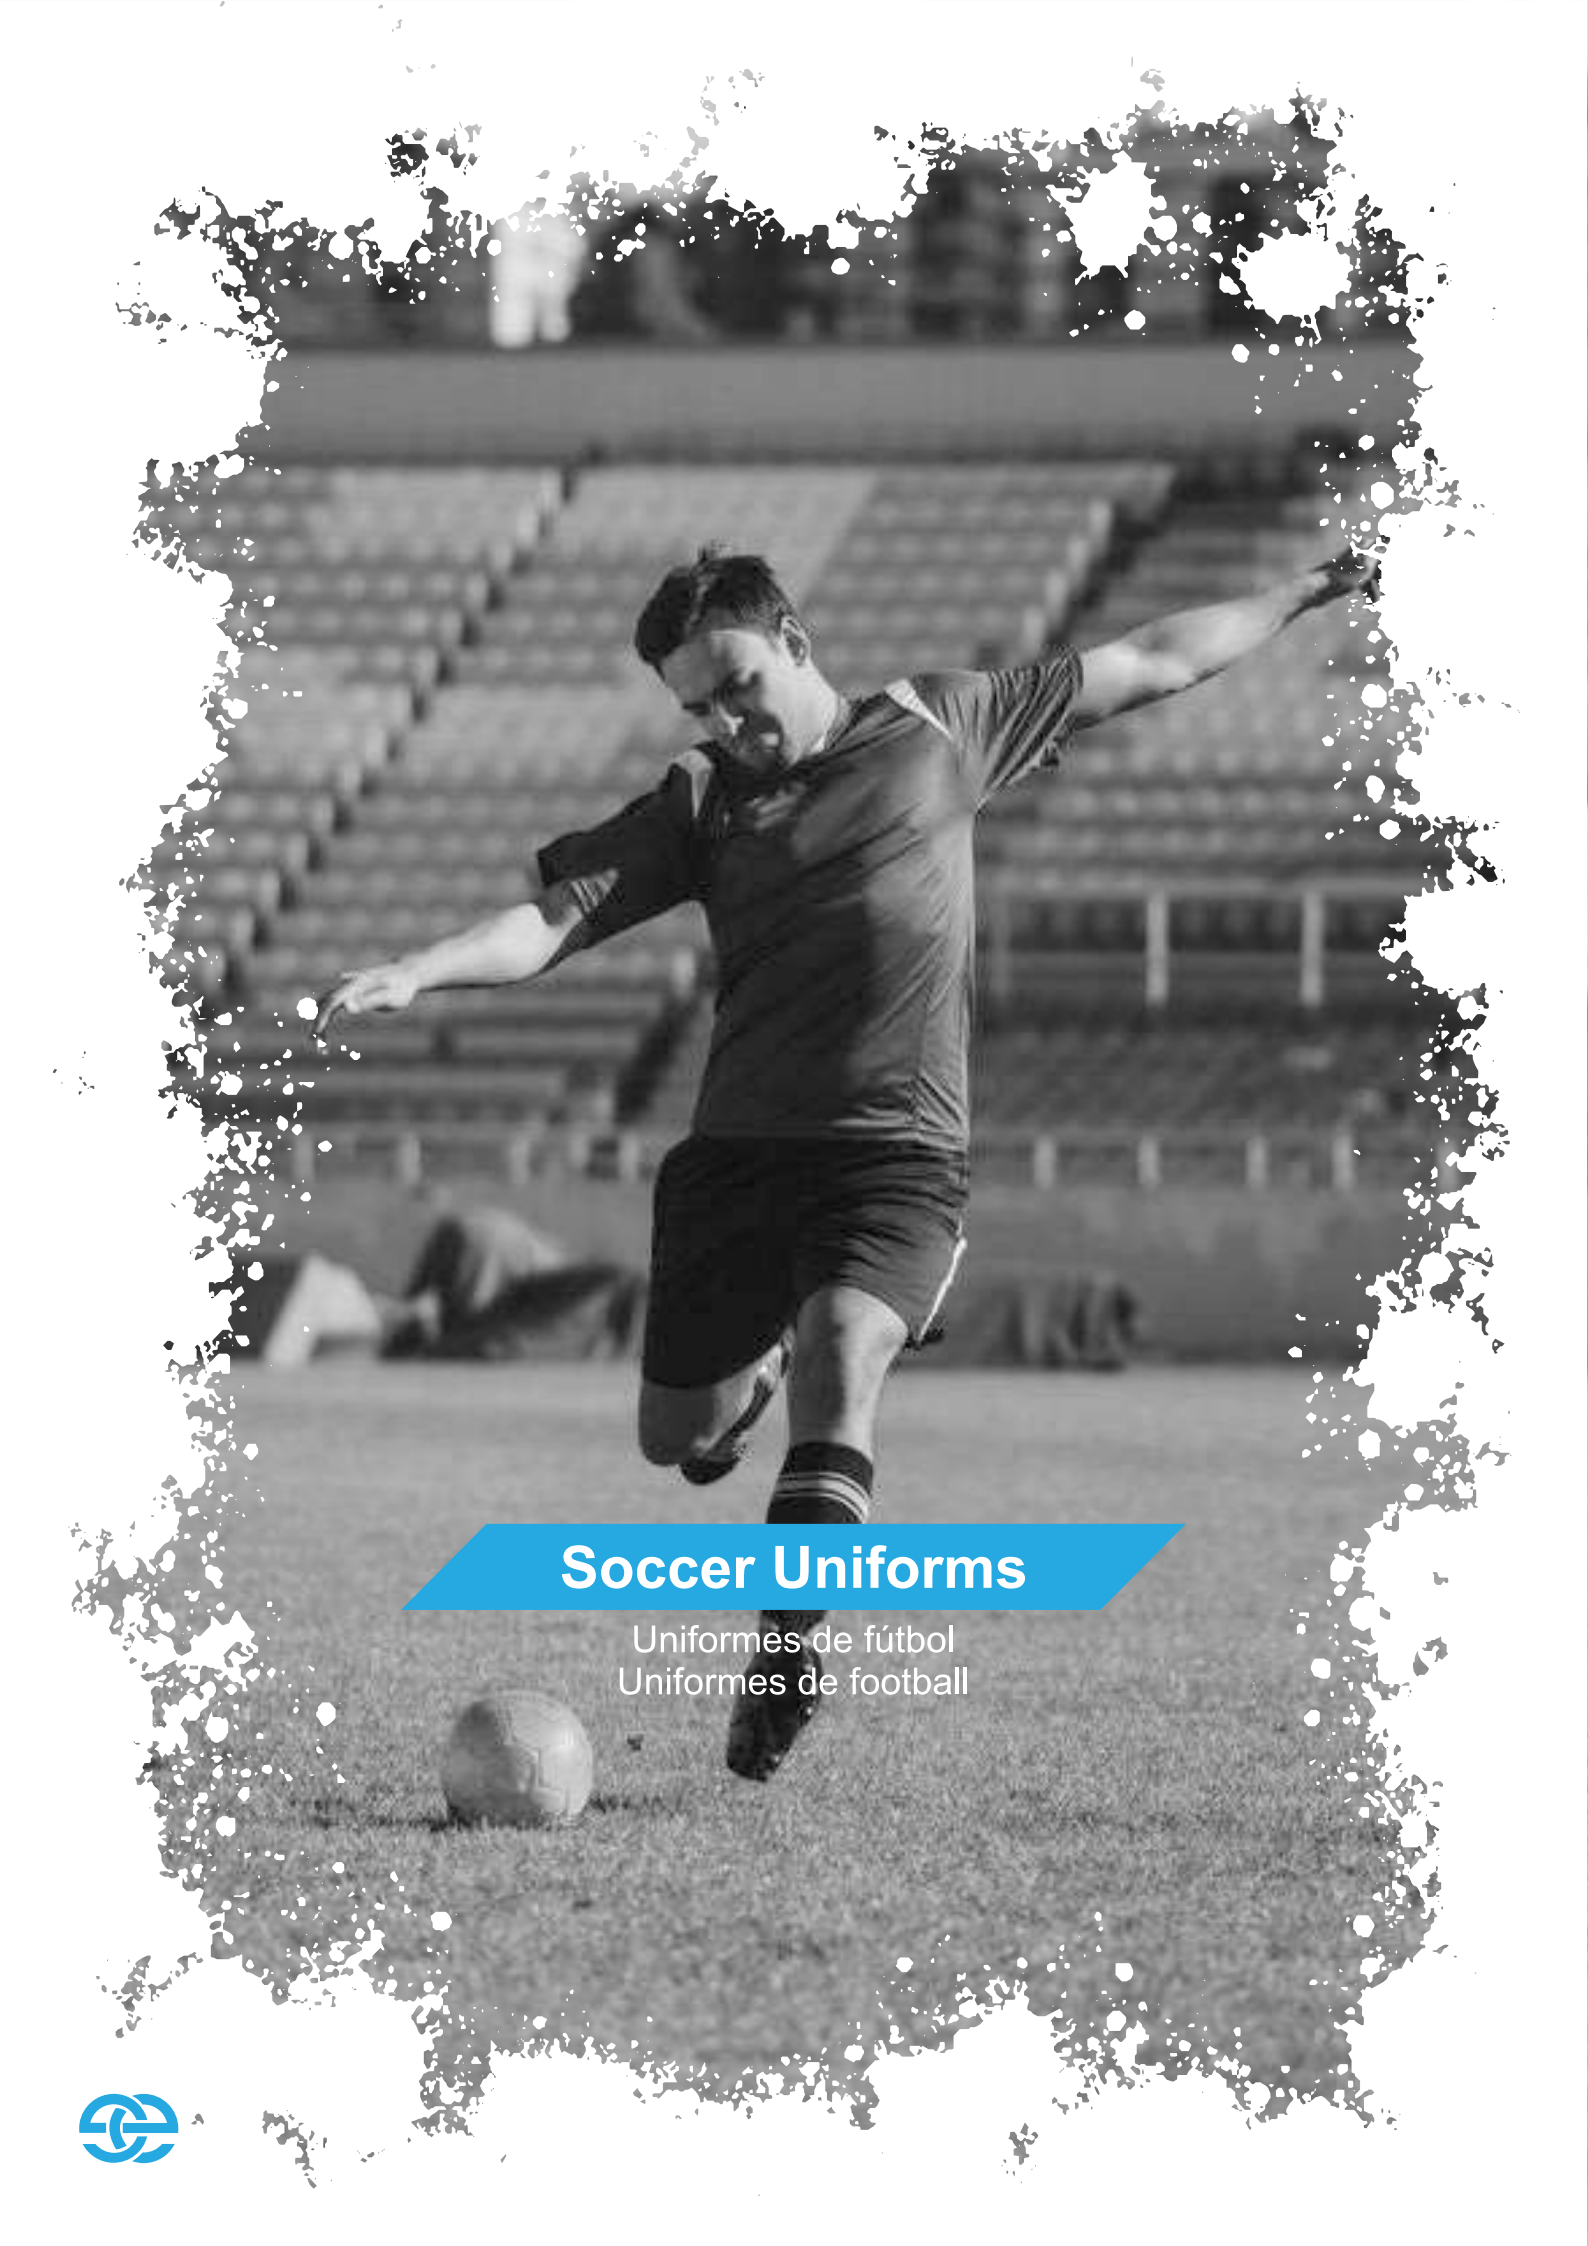

We are dedicated to empowering women both within our organization and in the broader community. This includes providing equal employment opportunities, supporting women in leadership roles, and creating a work environment that fosters gender equality. We also engage in initiatives that support women's education and economic development, striving to create opportunities for women to thrive and lead in various fields.

We are committed to maintaining high ethical standards in all aspects of our business. This includes ensuring fair labor practices, promoting safe working conditions, and providing fair wages. We strive to create a work environment that values respect, fairness, and equality for all employees.
